

TEAM VOGEL vs. **Cancer**

Cupcakes vs Cancer Participant Information

The competition will be organized into three divisions, consisting of 3 participants in each division:

Professional, Adult Amateur, Kid's (12 and under)

Each participant will be asked to provide the following:

- 4 dozen total cupcakes, these can be all the same flavor, or a variety. Your choice.

- One of these cupcakes you will enter into the "Cutest Cupcake Contest": this cupcake will be on display at Jaycee Pavilion, from 11:00 a.m. to 12:30 p.m. with a donation container. One dollar = one vote. Bakers are encouraged to invite friends and family to come vote for their entry. You can make this cupcake as unique and wonderful as you wish. We will provide a display case.

-Six of these cupcakes (same flavor) will be judged by a panel of local celebrity judges for "Best Cupcake" in their division, and best overall. This award will be decided based on overall flavor, texture, and quality of the cupcakes.

-Two dozen of these cupcakes will be served by the bakers (between 11:00 and 12:30), in 1/4 wedges, to attendees, who purchase a tasting bracelet (good for 4 samples).

-The final dozen of your cupcakes will be part of a live auction at 1:00 p.m., immediately following the awarding of the "Cutest Cupcake", Best in Division, and Overall Champion.

Team Vogel will provide you a display table, white linen tablecloth, and napkins for samples.

You will need to bring your cupcakes, a knife and serving utensil for the samples. You are welcome to make or bring any signs proclaiming your expertise as a Cupcake Master. If the dozen cupcakes you are donating to the live auction need to stay cool, let us know and we will have a cooler and ice ready for you.

Set up between 10:30-11:00 a.m.
